

GLOBAL COLLOQUIUM ON INTELLIGENT COMPUTING AND INNOVATION

Department of Computing Technologies
SRM Institute of Science and Technology, Kattankulathur Campus, Tamil Nadu, India

21st-22nd Sept 2026

International Conference

ABOUT THE CONFERENCE

GCICI 2026 is an international academic forum bringing together researchers, faculty members, industry experts, innovators, and students to exchange ideas in intelligent computing and emerging digital technologies. The conference encourages high-impact research discussions, collaborative networking, and practical innovation for real-world challenges, featuring keynote talks, technical paper presentations, and focused sessions on current and future trends in computing and engineering.

CONFERENCE FOCUS AREAS

- Artificial Intelligence & Machine Learning
- Data Science and Analytics
- Cyber Security and Digital Trust
- Internet of Things & Smart Systems
- Intelligent Computing & Advanced Engineering Applications
- Human-Computer Interaction & Interfaces

WHY ATTEND?

1. Present research to an international audience
2. Learn from leading academicians & domain experts
3. Build collaborations with universities & industry
4. Gain Springer publication visibility
5. Network with global researchers & innovators
6. Explore emerging technology directions

WHO CAN PARTICIPATE

- Faculty Members
- Undergraduate Students
- Research Scholars
- Industry Professionals
- Postgraduate Students
- Innovators & Startups

KEY HIGHLIGHTS

Keynote Addresses

World-class speakers from academia & industry

Springer Proceedings

Indexed international publication

Technical Sessions

Peer-reviewed paper presentations

Networking Events

Connect with the global research community

Join Us at GCICI 2026

Be part of a conference that connects ideas, research, and innovation for the future of intelligent computing.
